TDS क्या है?

Bill ₹1,00,000 ka… haath mein ₹99,000? 😮

₹1,000 कटा नहीं —
आपके PAN पर जमा हुआ है!

STEP 1 · MATLAB

T · D · S = ?

Tax Deducted at Source

= स्रोत पर कर कटौती

↓

Payment **dete waqt hi** thoda tax kaat kar **sarkar ko jama** kar diya jata hai.

यानी टैक्स बाद में नहीं — पैसा मिलते ही थोड़ा-थोड़ा जमा।

STEP 2 · EXAMPLE

Araria ka ek builder

1. **Contractor ka bill: ₹1,00,000**
   kaam: dukaan ka construction

2. **TDS @1% = ₹1,000 kaata**
   (individual/HUF contractor — Example)

3. **Contractor ko mila: ₹99,000**

4. **₹1,000 → Sarkar, contractor ke PAN par**

*Example ke liye round figures. Rate & limit payment ke type par depend.

STEP 3 · KAUN KYA?

2 log, 2 role

Deductor

पैसा देने वाला (जैसे builder)

- ✔ TDS kaatta hai
- ✔ Sarkar ko jama karta hai
- ✔ Return bharta hai

⇅

Deductee

पैसा लेने वाला (जैसे contractor)

- ✔ Kata hua TDS check karta hai
- ✔ Apne ITR mein credit leta hai

STEP 4 · KAHAN LAGTA HAI?

Business ke common payments

1. **Contract kaam**
   contractor, sub-contractor
2. **Kiraya (Rent)**
   dukaan / godown / machine
3. **Commission / Brokerage**
   agent ko payment
4. **Professional fees**
   CA, doctor, engineer

Har payment ki **alag rate & limit** — pehle check karein.

STEP 5 · DEDUCTOR KE 4 KAAM

Kaata hai to jama bhi karo

1. **TAN lein**
   TDS kaatne ke liye TAN zaroori

2. **Payment par TDS kaatein**
   credit ya payment — jo pehle ho

3. **Agle mahine 7 tarikh tak jama**
   March ka TDS: 30 April tak

4. **Har quarter TDS return**
   aur deductee ko TDS certificate

STEP 6 · DEDUCTEE KE LIYE

Aapka paisa doobta nahi

AIS / Form 26AS mein credit check karein
PAN sahi diya ho — warna credit nahi dikhega

ITR mein TDS ka credit lein
kata hua TDS aapke tax mein adjust hota hai

Tax kam bana? → Refund
ITR bharne par extra TDS wapas

इसलिए छोटी कमाई हो तब भी **ITR भरना फायदेमंद**।

STEP 7 · GALTI KI KEEMAT ❌

Deductor dhyan dein

⏰ Late jama kiya
→ byaaj (interest) lagega

📄 Return late bhari
→ har din ki late fee

✂ TDS kaata hi nahi
→ wo kharcha disallow ho sakta hai, upar se byaaj

✅ सही तरीका: हर महीने की 7 तारीख का reminder लगाइए।

YAAD RAKHEIN 📌

TDS = advance tax

💸 **Dene wala** kaat-ta hai & jama karta hai

🧾 **Lene wala** ITR mein credit leta hai

📅 Jama: **agle mahine ki 7 tarikh**

नया Income-tax Act 2025 (1 अप्रैल 2026 से) — TDS का concept वही है।
